Dear parents/guardians,

Essendon Keilor College is anticipating another great year of teaching and learning and would like to inform you about Essendon Keilor College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfill the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. However, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a significant difference to our school and the programs we can offer.

Essendon Keilor College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Within our school, this support has allowed us to work in close partnership with parents and the broader school community to provide the best educational opportunities and outcomes for students, both inside and outside the classroom. Through this partnership, parents/guardians understand that the contribution they make to their children's education, in all its various forms, plays an important role in enriching the school's learning and teaching program and improving educational outcomes. The commitment from parents to contribute benefits students and results in improved achievement outcomes, wellbeing, and engagement in learning.

Please find the contribution schedule for all year levels Year 7-12 attached. Complete this form and return it to the school by Friday, 23rd February 2024, or alternatively, make payments directly into Compass so the school can prepare accordingly.

For further information on the Department's Parent Payments Policy, please see a one-page overview attached.

Yours sincerely,
